1.1 Benefit event management

Benefit Event transactions can streamline the Benefit event process for employees by enabling them to update personal data and then change their benefit enrollments, all from one self-service transaction.

Benefit events include:

I got Married

I had baby

I adopted or gained legal custody/guardianship of a child

I got divorced/legally separated

I am hired

Open Enrollment

Commuter Benefits

Qualifying Event for Domestic Partner

457 Enrollment

Loss of Coverage
